Recommend RALK, earn 10 %

You recommend RALK to organisations in your network. They order online at fixed public prices. RALK takes care of everything else. You receive 10 % of the first licence year.

HOW IT WORKS

1. Recommend	Send the sample message below, or the link ralk.io/order?partner=**CODE**, to the organisations you know.
2. The client orders	The organisation orders at ralk.io/order. With your link, your partner code is filled in automatically; otherwise the client enters it in the field "Partner code".
3. RALK delivers	RALK confirms the order, sends the invoice with a secure card payment link, activates access after payment and supports the client. No presentations or negotiations are needed on your side.
4. You are paid	Once RALK has received the client's payment, your commission is paid within 30 days after the end of that month by bank transfer.

WHO IS RALK FOR?

Banks, microfinance institutions, payment and mobile money providers, insurers and companies with compliance obligations, in particular in sub-Saharan Africa. RALK trains every employee on fraud, anti-bribery, sanctions, AML/CFT, data protection, cybersecurity, AI and financial crime, crypto-assets and whistleblowing, adapted to role, sector and country, with certificates and reports for supervisors and correspondent banks.

SAMPLE MESSAGE FOR YOUR CONTACTS

Dear [name],

Staff training on AML/CFT, fraud and anti-bribery is expected by supervisors and correspondent banks, and has to be proven. I would like to recommend RALK: an online platform that trains every employee on these topics, adapted to their role, sector and country, with certificates and reports for audits.

Prices are public and the same for everyone, and you can order directly online:
ralk.io/order?partner=[CODE]

A free 14-day trial is available on request at info@ralk.io.

Kind regards,
[your name]
