RALK

VENDOR INFORMATION
Price sheet

Annual licence per employee

One fixed rate per employee per year, based on the size of the organisation. Fixed public prices, the same for every customer; volume discounts are built into the size bands and no individual discounts are granted.

PRICE LIST (USD, NET)

Employees to train	Price per employee / year
up to 1,000	**USD 65**
1,001 – 10,000	**USD 55**
more than 10,000	**USD 45**

- **Minimum annual licence:** USD 5,000
- **Set-up fee:** none
- **Term:** 12 months, renews annually (licence terms, section 7)
- **Band transition rule:** when an organisation falls into a cheaper band, its licence never costs less than the largest organisation of the band below.

WORKED EXAMPLES

Annual licence = the highest of: employees × band rate; the price of the largest organisation of any lower band; USD 5,000.

Employees	Calculation	Annual licence (net)
50	50 × USD 65 = USD 3,250 → minimum annual licence applies	USD 5,000
400	400 × USD 65	USD 26,000
1,100	1,100 × USD 55 = USD 60,500 → band rule: 1,000 × USD 65	USD 65,000
2,000	2,000 × USD 55	USD 110,000
15,000	15,000 × USD 45	USD 675,000

INCLUDED IN EVERY LICENCE

- All 9 modules
- Role-based training with real scenarios
- Certificates with online verification
- Manager dashboard and reports
- HR import
- English and French
- E-mail support
